Who may file an appeal? You or someone you name to act for you (your authorized representative) may file an appeal. Be sure to include this person on the form section “**Appeal Authorization**”.

Can I provide additional information about my claim? Yes, you may supply additional information and we encourage you to include this information on the form provided. Tell us why you are appealing and why you do not agree with our decision. Please write clearly. Attach extra pages if needed. Each page must be signed, dated, and include the member’s name and member ID number.

Can I request copies of information relevant to my claim? Yes, you may request copies (free of charge). You can request copies of this information by contacting us at 877-860-8846.

What happens next? Once appeal has been received, we will review our decision and provide you with a written determination. If we continue to deny the payment, coverage, or service requested or you do not receive a timely decision, you may be able to request an external review of the appeal with an external review organization who will review the denial and issue a final decision.
